FAIRVIEW VETERAN'S SERVICE MEMORIAL RESTORATION PROJECT

Friends and Neighbors,

We are very excited to announce the **FVSM Restoration Project**. This monument is not only the entrance to our park, but a tribute to the men and women from Fairview who served our Country in the Armed Services.

The monument was first erected and dedicated in 1944. It is in need of serious repair. Let's make this a real Community project. Please call Councilman Mike Cifone at 473-1588 if you would like to contribute and/or attend the May 6th fundraiser – and especially if you would like to be part of this project!

Our goal is to raise \$15,000

DONATION LEVELS

- \$1,500** – Bench with memorial plaque/full page ad in memorial book
- \$500** – Individual name plaque/full page ad in memorial book (3"x18")
- \$100** – Engraved brick/half page ad in memorial book
- \$50** – "Friends of" listed in memorial book

**We all look forward to a warm, wonderful
dedication ceremony in the fall.**
