RE: Stratford Farms Townhomes

Stratford Drive Grid # 14-6362-01-320922

Dear Chairman Weisman and the Poughkeepsie Planning Board Members:

The project has previously been reviewed by the Board and a Final (Major) Subdivision and Final Site Plan approvals were granted by the Planning Board on Feb 21, 2013 for 26 individual Townhomes lots, a common area lot and site improvements on a +/- 6.832 acre parent lot within a previously approved 185 lot subdivision, (Zones R-4A, residence single family, 4 acre; 6.832 +/- acres; SEQRA negative declaration, subdivision and site approval on file).

Previously the Planning Board granted a time extension of Final (Major) Subdivision Approval and Final Site Plan Approval for the project.

The last two additional 90-day time extensions were granted by the Planning Board during the meeting held on January 12, 2022, extending the Approval forward to July 11, 2022.

We currently need to address items raised by the Planning Department letter to Mark A. Day, P.E. dated Feb. 25, 2013 documenting the Planning Board's Feb. 21, 2013 decision and conditions of approval.

I also advise the Board that:

- (a) All permits and approvals issued in conjunction with the project are valid and will be so through the term of the requested extension;
- (b) That there has been no change in any relevant statute, rule or regulation that would affect the subdivision since its last approval;
- (c) That there have been no intervening changes in the physical or environmental setting of the project land or nearby lands that would affect the project.

We wanted to thank the Board for their cooperation and for granting us the previous approvals and request the Board to continue their cooperation by granting us an additional two (2) 90-day time extensions.

Sincerely,

Dan Gueron, G. Manager
