

2) Will there be any exterior evidence of the use?

APK 1/3 of garage (288 sq ft) will be used to house all business related materials. Including but not limited to, hand tools, drills, saws, digging tools, shovels, pick axes.

Pool equipment including telescopic poles, nets, pumps, sub pumps, vacuums, brushes, PVC fittings & pipe, misc plugs, threaded plugs, Test kits

Pool chemicals (non-corrosive) ex. PH+, PH-, sodium bicarbonate, calcium, clarifier, orders will be delivered periodically, consisting of liners, filters, pumps... basically replacement parts.

3) How many customers expected at one time?

There will be zero customers.

Business is strictly service based at customer houses.

We do pool openings, closings, liner installs, replumbing systems.

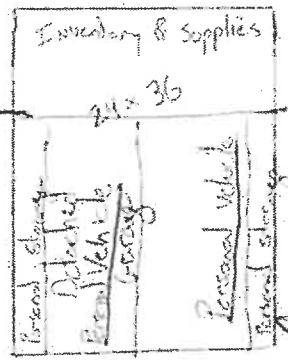

Above ground pool installs, we take care of parts doing weekly maintenance approx 16 weeks between Memorial day & Labor day.

Business is seasonal and is only in operation between April - November.

I work for Metro North, Business is my secondary source of income.

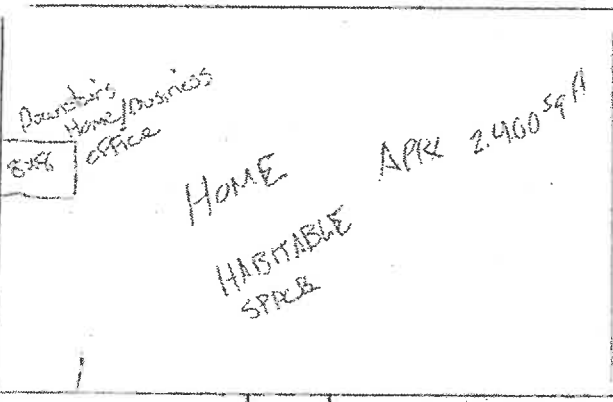

APK 40 hours a week.
